

Hardwick Primary School Weekly Newsletter

3rd October 2025

This week at Hardwick...

Rabbit Class have been exploring their creative side in the craft area, using a variety of materials to produce their own pieces of art. The children showed real enthusiasm and imagination as they experimented with different textures and techniques.

Falcon Class have continued to develop their rugby skills, concentrating this week on intercepting the ball. Their teamwork and determination have been clear to see during each session.

In Kingfisher Class, the focus has been on the sense of taste in science. The children approached the lesson with great curiosity, sampling foods such as lemons and salty crisps to investigate how our taste buds respond to different flavours.

Eagle Class have had a particularly rewarding week, publishing their final pieces of writing. The children took great pride in sharing their completed work with one another — a wonderful celebration of their effort and progress.

Chess Club

Chess Club is back, and it has been wonderful to see the children so engaged once again. This week, they have enjoyed learning new strategies and refining their skills and tactics through friendly matches and challenges. It's been a fantastic start to the term for all our keen chess players!

Athletics Competition

Children at Hardwick Primary School have been competing once again this week — this time it was the turn of our Year 3 and Year 4 pupils, who took part in an athletics competition. The children were fantastic, demonstrating great determination, teamwork, and a wonderful sense of fair play throughout the event. We are very proud of all who took part!

Please see the posters below for all the details. FOHPS would also love to hear from anyone able to volunteer at the school disco. If you can help, please get in touch with them directly at fohps.org.uk@gmail.com
